

12 July

Re: Chan.

1. He was to be arrested after brother incriminated him at trial. (1 July)
2. I picked him up in Saigon, brought him to Lantto. (6 July)
3. Went to Saigon - saw Gen Kheim - explained the potential adverse reaction in US if Chan arrested - pointed out that neither Nixon nor Thieu needed that kind of an attack now. Kheim agreed to go to Thieu, told me to bring Chan back. (7 July)
4. Took Chan to Saigon (8 July)
5. Chan invited to dinner with Thieu on 11 July. Chan refused to go.
6. Chan called me tonight. Said boat was off. His visa is being approved by G-2. Lantto desperately to go to US for visit.
7. I am advancing him the money to go - to buy a round trip ticket to Los Angeles. Hope Rand can put him on current day

Did reimburse me for Char's  
trip — I am over \$3000  
involved in financing his  
man. (Char will not go till end of month —  
after he has paid me — after I  
tell to you)

8. I leave for Paris on  
14th. Spend four days  
there. Into D.C. on  
19th. Will call you from  
there. Leave D.C. about

24th or 25th. Leave Denver  
about 9 AM for L.A. See  
you there.

Best regards —
